****Larceny From Automobiles****

Over the past several days there has been an increase in property being stolen from automobiles throughout the township.

A review of the reported crimes show the suspect(s) are entering unlocked cars. Once inside they take whatever property happens to be inside the car. (loose change, sunglasses, etc)

There are a few things you as a citizen can do to avoid being a victim of such a crime.

- 1) Lock your car doors, and set the alarm if you have one.
- 2) Remove anything of value from the car each night.
- 3) Contact the Police Department if you see any suspicious people or vehicles in your neighborhood.
